HR Manager

Truis Solution

Dear [Hiring Manager's Name]

I am writing to express my keen interest in the Graduate/Junior Developer position at Truis Solution. With a strong passion for IT and a drive to continuously learn and grow, I am excited about the opportunity to contribute to your team and further develop my skills in a challenging and supportive environment.

Having acquired approximately 2 of commercial and project experience in Java, J-EE, and J2SE, I am well-versed in developing high-quality software solutions. Additionally, my understanding of TCP/IP networking, JPA, and open-source frameworks positions me as a competent candidate for this role. My exposure to backend technologies and systems integration further strengthens my ability to thrive in a dynamic development environment.

I am particularly excited about the opportunity to expand my Java knowledge and enhance my skills in a Linux environment. I am confident that my technical proficiency, coupled with my enthusiasm for continuous learning, makes me a strong fit for this role.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my skills and experiences align with the needs of Truis Solution. Please find my resume attached for your review. I am available for an interview at your earliest convenience and can be reached at 0433942053 or via email at bikash.wagle06@gmail.com.

Yours faithfully,
Bikash Wagle
