HR Manager
Truis Solution

I am writing to express my sincere interest in the Junior Web Developer position at Truis. With a Bachelor's degree in Computer Science and a passion for web development, I am excited about the opportunity to contribute to your team and leverage my skills to drive innovation.

My educational background has equipped me with a strong foundation in programming languages such as HTML, CSS, JavaScript, and Python. Additionally, I have gained practical experience through internships and personal projects, where I have worked with frameworks like React, Angular, and Bootstrap to create responsive and visually appealing websites.

What attracts me to Truis is your commitment to pushing the boundaries of web development and delivering cutting-edge solutions to clients. I am eager to collaborate with your talented team and contribute fresh perspectives and ideas to drive projects forward.

In addition to my technical skills, I bring a proactive and adaptable approach to problem-solving. I thrive in fast-paced environments and am able to effectively communicate and collaborate with colleagues to achieve shared goals. I am eager to further develop my skills and grow professionally within Truis's supportive and innovative work culture.

The opportunity to work at Truis aligns perfectly with my career aspirations, and I am confident that my passion for web development and dedication to continuous learning will make me a valuable asset to your team. I am enthusiastic about the possibility of contributing to your company's success and am available at your earliest convenience for an interview.

Thank you for considering my application. I look forward to the possibility of discussing how my background and skills align with the needs of Truis.

Thank you for your attention. I look forward to the opportunity to speak further.

Yours faithfully,
Bikash Wagle
